

Web Canvas

SEO & Online Marketing 5 Strategies to Generate Traffic and Leads to your business online

Website Optimization

Your website may not be up-to-date with the latest search engine standards put forth by Google and other search giants. Web Canvas will optimize your website's code and design.

High Quality Backlinks

One of the top goals in SEO is creating high-quality backlinks to your website on sites with a high Google Page Rank. Web Canvas will provide backlinks on topic-related websites on a weekly basis to increase your ranking.

Social Networks

Optimizing your Facebook, Twitter and Instagram pages is crucial in generating free leads to your website. Web Canvas will make adjustments to your pages to assure you get the most from your social resources.

URL Submission

Web Canvas will submit your URL to a minimum of 1,500 website directories each month helping to generate backlinks and make your website known to key online directories such as Yellowpages.com.

Reporting

Web Canvas keeps you up-to-date on the progress of your program by generating at least 2 detailed reports per month.
